This week's gospel reading contains two contrasting images. The first is an image of Judas walking out of the room where Jesus and the disciples are sharing their last meal together – we know that Judas is going to betray his friends. In Judas' absence, Jesus gives his disciples 'a new commandment' to 'love one another' – the second image. This love is a witness to discipleship, which entails commitment and constancy.

Sacred Heart Cathedral sits on the traditional country of the Awabakal and Worimi peoples. We acknowledge their cultural heritage, beliefs and their continuing relationship with the land, pay respect to their Elders past, present and future, and commit ourselves to working together for reconciliation and justice.

FROM THE MODERATOR

Dear friends,

Following on from my message last week, I have consulted with our Pastoral Council team, my fellow priests and Office Staff as to the best way forward in terms of providing regular Masses following the departure of Fr John Vo. I have decided that after the weekend of 21-22 May 2022, the 9 am Sunday Mass at the Junction and the 9.15 am Wednesday Mass at Tighes Hill will be discontinued. This will mean that each of our active Mass centres will still have at least one Sunday Mass (be it a vigil or a Sunday day Mass). My sincere apologies to those who regularly attend the two Masses that are being discontinued. I hope you will be able to transition to another Mass at another time and Mass centre without too much difficulty. I'm sure that wherever you go the community there will make you feel most welcome.

On another matter, next week I will meet with our Finance Committee and then meet with our Diocesan Administrator, Fr Greg, to discuss the future of St Laurence O'Toole, Broadmeadow. Once I have some clarification on that matter I will provide everyone with an update.

Finally, as covid is still infecting many in our communities, I urge everyone to remain vigilant in observing covid-safe practices.

Fr John Lovell

THANK YOU

Thank you to those who so generously support the St Vincent de Paul FLOOD APPEAL. To date over \$13,500+ has been received.

SACRAMENTAL PROGRAM 2022

Almost 70 children from our combined parishes are preparing for the sacraments of initiation—Confirmation and Eucharist. A central component of their preparation is the completion of a “works of mercy” project. The projects are completed by the children and their families together. We invite parishioners to complete a spiritual work of mercy by praying for our children.

Another part of the program is learning about the gifts and fruits of the Holy Spirit. As we approach Pentecost, it's a great opportunity to reflect on the presence of the gifts of the Holy Spirit in our lives!

NOTICE TO PLANNED GIVERS THE END OF FINANCIAL YEAR IS COMING!

Planned Giving Tax Receipts: Parishioners who require a tax receipt for planned giving for the 2021/22 financial year must notify the Parish Office before 30th June 2022. Please notify by one of the following methods: **Email to newcparish@mn.catholic.org.au:** Use the wording, “Please provide me with a Planned Giving tax receipt” and include your name and envelope number. **Planned Giving Envelope:** Write on your weekly envelope, “Tax receipt required”.

Tax receipt data will be processed on 30 June 2022. No subsequent amendments are possible. Any requests received after 30 June 2022 will result in parishioners not receiving the requested tax deduction. If you do not require a tax receipt for tax purposes, it is preferable to refrain from requesting one as this will enhance the tax deductibility for those who do use the tax receipt. I am happy to provide people who do not submit a tax return with your contribution total.

REFLECTION

BY FR MICHAEL TATE

Jesus issues a new commandment. If he had left it as 'love one another' it would have been intolerably vague. The word 'love' has such a range of meaning in English that it always needs a context to be understood.

So Jesus went on: 'Love one another as I have loved you.' That's more definite. That's more concrete. '... as I have loved you.' So now there is a measure by which we can gauge our progress in discipleship.

There are some obvious enough pointers in the gospel stories. Jesus loved us in a way which invariably led him to do counter cultural things like sharing meals with the marginalised and ostracised. We can all ask how we measure up to his way of living in that and many other respects. But there is a deeper, more fundamental, dimension to Our Lord's love for us.

Divine Love was aware that humankind was in a mess: a history of disoriented behaviour distorting our relationships with God and others.

Divine Love could have dealt with this in a myriad of ways, perhaps by using angelic forces or purely spiritual Powers.

But instead, in Jesus Christ, Divine Love entered into the human story and absorbed the suffering experienced by every human being in death, the tearing apart of body and soul. He conquered such wrenching death in the Resurrection and invites all humanity to share in that victory.

You may think that this extravagant extreme of love is something no human being could ever measure up to. So does our Lord present us with a command impossible to fulfill?

But actually, it happens whenever a mother or father sits by the bedside of a child suffering the terrible pain of a chronic illness or traumatic accident and, perhaps, even facing the prospect of death. Such a parent will invariably say 'I would rather suffer and die than see my child suffer and die.' It is the same with a spouse seeing their much loved life partner in a similar situation.

The desire to absorb the suffering of another, quite freely except for the compulsion of love, shows humanity at its best. This is the ultimate degree of com-compassion, suffering with another, and is the closest a human being gets to the deep dimension of the way in which Our Lord loves the whole of humankind.

But each of us, usually to a lesser degree and in less fraught circumstances, has the opportunity to share in the anxieties, the fears, and to absorb, to some extent, the sufferings of others. Together with imitating the other patterns of Jesus' earthly ministry, we are thus given the possibility of fulfilling the command: 'Love one another as I have loved you.'

SCRIPTURAL CONTEXT

Love is all around

Love surrounds us all the time. It is impossible to turn on a radio without hearing "love" used in one way or another. Love is the most common theme of songs, poetry, literature and art. Although we might bemoan the casual use of 'love', the fact remains that we fill our lives with the sounds and images of love. It's easier to imagine the all-pervasive nature of God's love when we recognise just how pervasive the commercial and artistic expressions of love have become. As Christian people, the challenge that faces us is to imbue these expressions with a richer, deeper notion of love.

HOUSING NEEDS FOR HUMANITARIAN ENTRANTS/ REFUGEES IN NEWCASTLE AND SURROUNDS

Settlement Services International (SSI) assist newly arrived refugees to resettle in Newcastle through the Humanitarian Settlement Program (HSP).

The tragic events taking place in Afghanistan has led to an influx of Afghan families into our region. Unfortunately, the current housing crisis in Newcastle means many families pass extended periods in short term housing, which greatly impacts well-being and the feeling of being 'at home'.

SSI are looking for landlords willing to commence tenancies with our clients. Families will pay market rent and be fully supported by their SSI Case Managers. We are looking for 2-4 bedroom properties in Newcastle. Any assistance is greatly appreciated.

CATHOLIC EARTHCARE - LAUDATO SI' WEEK 16 - 24 MAY

As this celebration approaches, Caritas is encouraging you to take a look at the Catholic Earthcare process for parishes via the green button at <https://catholicearthcare.org.au>. Catholic Earthcare has made it easy for parishes to take up the Bishops' invitation to journey towards these 7 goals and to becoming living Laudato Si' communities. They invite you to join the growing number of Earthcare parishes across the nation who've begun this journey.

As part of Catholic Earthcare's celebration of Laudato Si' Week, they are hosting an online screening of the newly released 'Regenerating Australia' short film - a fictitious news segment set on New Year's Eve 2029, examining the decade that 'could be'. The film challenges us to consider how we respond to the Cry of the Earth. The event will be joined by Bishop Ken Howell and a range of guest speakers to share in this celebration. After the film, there will be a panel discussion and question time regarding how we can take the teachings of the film and respond as Catholics here in Australia.

You are welcome to join by yourself, or register a parish group for the viewing. [Please note if registering for a group, only 1 person need register via Trybooking]. The video will be streamed via zoom so you can watch together on a large screen at a suitable venue like a parish hall.

The online event will be held on Tuesday 17th May from 6pm - 8pm AEST, 4pm - 6pm AWST. Bookings at: <https://www.trybooking.com/BZADT>

Have you thought? Love

I love my dog! I love your hair! I love that new song! I absolutely love chocolate! We throw around the word 'love' so casually today that it has almost lost its meaning. The decision whether or not to say "I love you" in a relationship has become a major dilemma - or alternatively, just the formula that has to be said to get what you want! Jesus did not use the word so casually or so inappropriately. He spoke of love very deliberately and very specifically. Jesus calls us to share in the selfless love that he modelled and to follow his example.

REFLECTION

BY DIANNE BERGANT CSA

Everything is new! There is a new law of love, a new heaven and earth that is established in the church, a new depth of communion there, and a new glory of God that shines forth from its members.

The new commandment that Jesus announces is more than tolerance or mutual respect. It requires self-sacrificing love. Perhaps the greatest obstacle to this love is the diversity discussed last Sunday. It is hard enough to love those who are like us; how can we possibly love those who are different? And how can we love those who do not love us? It is no wonder that the commandment is called new. It calls for something completely different.

The new commandment is the law of the new heaven and the new earth that are established in the new Jerusalem. Standards are entirely different there. The greater ones serve; the meek possess the earth; happy are the poor; woe to those who laugh. This is clearly a city that comes down from heaven, not one made by human hands. It is a city that embraces all who come to it. God dwells in the midst of this city, in the heart of this people. God dwells with them and they dwell with God.

Through this new love, this new heaven and new earth, this new depth of communion, the glory of God is manifested in a new way. The eschatological future is anticipated in the present. The age of fulfilment has dawned.
